The background of the entire image is a cosmic scene. In the upper right, a portion of the Earth is visible, showing blue oceans and green landmasses. Below and to the left of the Earth, there is a vibrant nebula with swirling patterns of green and blue light. A bright, yellowish-white star or galaxy core is visible in the upper left, casting a soft glow. The overall color palette is dominated by deep blues, greens, and yellows, creating a sense of vastness and wonder.
